

ICMERR 2023

Krakow, Poland
December 8 to 10, 2023
www.icmerr.com

2023 the 8th International Conference on Mechanical Engineering and Robotics Research will be held in Krakow, Poland from December 8 to 10, 2023. It's sponsored by Southwest University, technically co-sponsored by University of Crete, hosted by AGH University of Science and Technology under the patronage of the Dean of the Faculty of Electrical Engineering, Automatics, Computer Science and Biomedical Engineering and co-hosted by Warsaw University of Technology under the patronage of the Dean of the Faculty of Power and Aeronautical Engineering. INTECO is patron. ICMERR aims to be one of the leading international conferences for presenting novel and fundamental advances in the fields of mechanical engineering and robotics. The conference seeks to bring together experts from academia, industry, and government to promote interdisciplinary collaborations and facilitate the development of innovative solutions to real-world problems. ICMERR also serves to foster communication among researchers and practitioners working in a wide variety of scientific areas with a common interest in improving mechanical engineering and robotics techniques.

Call For Papers

Topics of interest for submission include, but are not limited to:

1. Robotics and Automation:

- Automation, CNC Machines & Robotics
- Autonomous Robotic Vehicles
- Evolutionary Robotics
- Industrial Robotics
- Intelligent Control Systems

2. Mechanics and Thermodynamics:

- Analytical Mechanics
- Applied Mechanics
- Computational Mechanics
- Fluid Mechanics
- Heat Transfer and Thermal Power

3. Artificial Intelligence and Perception:

- Active Perception & 3-D Perception
- Artificial Intelligence
- Automatic 3D Buildings Design
- GA and Neural Networks for Mobile Robots

4. Manufacturing and Production:

- Industrial Engineering & Management
- Machine Design
- Mechatronics
- Operations Research and Industrial Management
- Production Management
- Refrigeration & Air-Conditioning

5. Combustion and Propulsion:

- Combustion and Fuels
- I.C. Engines & Automobile Engineering

For more information about topics, please visit:

<http://www.icmerr.com/cfp.html>

Important Dates

Submission Deadline: July 5, 2023

Acceptance Notification: August 5, 2023

Registration Deadline: August 15, 2023

Camera-Ready Paper Due: August 15, 2023

Conference Date: December 8-10, 2023

Submission Method

Full Paper Submission:

<http://www.easychair.org/conferences/?conf=icmerr2023>

Abstract Submission:

icmerr@outlook.com

Publication

Submitted papers will be peer reviewed by the conference scientific committees and accepted papers will be published in **Conference Proceedings**.

A few selected papers with extended version will be published in the:
International Journal of Mechanical Engineering and Robotics Research (IJMERR)

Index: **Scopus**, CNKI, Google Scholar, Crossref, etc.

Schedule

December 8, 2023 (Friday): Registration

December 9, 2023 (Saturday): Opening Ceremony & Keynote Session & Technical Sessions

December 10, 2023 (Sunday): Technical Visit or Excursion

The above schedule is a tentative version and it may suffer additional changes. The finalized version will be announced in late November.
